Color in one circle for every book you read and return this form to the library. Complete 20 forms to reach 1,000 books!

Name: _____ Age: _____ Date: _____

Books # _____ to # _____

INFORMATION SHEET

The **1,000 Books Before Kindergarten Reading Challenge** encourages families and caregivers to read 1,000 books with their little ones, age 0-6, before they start Kindergarten. Why? In order to spend time together while instilling a lifelong love of reading and also building their literacy skills and vocabulary.

How does the program work?

- Participate by using paper reading logs available at the Library's front desk or by printing them off the Library's website. You can also participate online using a **Beanstack** account. Go to www.tomahawk.lib.wi.us.
- Each time you read a book together, record it on your paper reading log or in your **Beanstack** account. Any book counts, even the same one over and over!
- When a paper reading log is completed, return it and pick up another one.
- Get to 500 books and receive a reward for reaching the half-way milestone. Read 1,000 books and receive a completion reward and certificate. Fun fact - reading three books each day will get you to 1,095 books in only one year!
